LETTER

Applicants have requested (June 9, 2009 Response and Amendment) that the finality of the December 30, 2008 Office Action be withdrawn as improper (premature), consistent with MPEP §706.07(a). Concurrently with the filing of this Letter, Applicants are filing a "conditional" Request for Continued Examination (MPEP §706.07(h)III.C.), given June 30, 2009 is the six-month non-extendable deadline for response to the December 30, 2008 Office Action. Should the finality of the December 30 Action be withdrawn, Applicants request that this RCE not be entered, as improper following a *non-final* Office Action (37 CFR §1.114(b)).

Applicants have authorized the applicable RCE fee to be charged to our deposit account, no. 08-3040, should the USPTO not withdraw the improper finality of the prior Action.
